

2017 International Culture Summer Camp

Volunteer Recruitment Information

1. Purpose:

Our camp is going to recruit international volunteers and Taiwanese volunteers to go deep into Caoling Community, the highest altitude and remote district in Yunlin. Except for servicing, we also expect that volunteers can help local children to respect and learn different cultures in foreign countries by servicing. Also, we hope we can arouse children's motivation on multi-language learning. On the other hand, we anticipate volunteers can broaden their horizons, further their friendship and cultural literacy by interacting with each other and let them go deep into the beauty of Yunlin.
